EVENT RULES: ALL MODELERS ARE WELCOME subject to the following:

1. All exhibits must be the sole work of the individual whose name is on the Entry Form.
2. IPMS Regional/National and previous O'Hare Contest-Winning Models are ineligible for competition. The O'Hare Chapter invites exhibition of these Award Winners for display in an Exhibition-Only Area. No contest-entry fee applies to Exhibition-Only models however display is subject to space availability.
3. The Registrar shall help contestants determine the classification of each entry. In the event of controversies the Contest-Head Judge will render a final decision.
4. Exhibits are not to be handled or touched by anyone other than the owner-contestant. For space or judging considerations a Contest Official or Contest Judge may carefully re-adjust placement of an exhibit on a display table.
5. The O'Hare Chapter maintains Family Oriented Values. Visually suggestive exhibits will be segregated from direct public display at the discretion of Contest Officials.
6. For the safety of the exhibit, a base is recommended however a base or other accessories will not be judged as part of a non-Diorama exhibit. The Judging Committee highly recommends the use of a base and that the exhibit be secured to the base as well.
7. Dust Covers are allowed; however Dust Covers may impair the Judging Team's ability to see all the work.
8. "Chicago Rules" are used to judge exhibits. A copy of the "Chicago Rules" criteria is available at the Registration Table on the day of the event or by request. All entries will be judged on the skill of construction, accuracy and detail, degree of difficulty, overall finish and presentation. A great amount of added detail will not make up for a poorly constructed model.
9. Contest Judges are primarily members of the O'Hare Chapter and work in teams of three with one judge designated as Team Leader to assure the integrity of the decision.
10. Interference with the judging of an exhibit by a contestant will result in immediate disqualification of the contestant's exhibit.
11. The Judges decisions will be final. In order to prevent misunderstandings representative Judges will be available after the awards presentation to answer questions.
12. Photography by spectators for their own use is welcome. It is the obligation of the photographer to prevent interference with other event participants. Photography of an exhibit for commercial purposes is not allowed without the express permission of the exhibitor. The photographer is responsible for any damages resulting from their activities.
13. There is No Smoking allowed within the School Building. Lakeview Junior High School/School District 66 has designated the parking lot behind the Gymnasium as the approved smoking area. Please help keep the property clean.
14. Please enjoy the day and invite others to come out and begin or re-start in this wonderful hobby!

IPMS/"Butch" O'Hare Chapter, IPMS-USA and Lakeview Junior High School/School District 66, its members, agents, officers and employees assume no liability or responsibility in case of injury, accidents or other actions involving contestants, attendees, equipment, merchandise, models, exhibits, displays, lost, stolen or damaged property.
